In the center, there is a thumbnail of a fluffy cat's face with the label "Close-up" below it. Below the thumbnail is a speech bubble icon with the text "Message DALL-E...". At the bottom, there is a row of style options: "Woodcut", "Close-up" (which is highlighted with a cursor icon), "Low angle", "Artificial lighting", "Hand-drawn", and "Aspect Ratio". A screenshot of a mobile messaging application interface. At the top, a context menu is open over a message from "ChatGPT". The menu items are: "Copy" (with a clipboard icon), "Select Text" (with a text cursor icon), "Regenerate" (with a circular arrow icon), "Bad" (with a thumbs-down icon), and "Read Aloud" (with a speaker icon). The "Read Aloud" option is highlighted with a light gray background. Below the menu, the message from "ChatGPT" contains a story about a shark named Finley. The text is as follows:

In the vast, blue ocean, there lived a shark named Finley, known far and wide as the Superhero of the Sea, thanks to his gleaming, spotless teeth. Every morning and night, Finley would embark on a thrilling adventure, battling the evil Plaque Pirates and their leader, Tartar the Terrible, using his powerful Toothbrush Trident. With each swipe of his trident, he'd cast a bubble of minty freshness.
